EPOMM Best International Policy Transfer Award 2014

Win a free visit to the ECOMM 2014!

It is one of the central goals of EPOMM to support exchange and learning on MM between European countries. For this reason, in 2012 EPOMM introduced the Best International Policy Transfer Award – that rewards the best policy or best practice transfer between different entities from different countries.

The award for 2014 is now open. Download the [application here](#) and find info on past award winners [here](#). The deadline for submission is **15 February 2014**. The winners of the award (exporter and importer) will be invited to the [European Conference on Mobility Management in Florence](#), 7-9 May 2014. Travel, accommodation and ECOMM delegate fee will be paid for up to a maximum of €1000 per person. The award will be handed over in a ceremony at the ECOMM.

EPOMM book

In a joint effort, all EPOMM countries produced this book:

Mobility Management: The smart way to sustainable mobility in European countries, regions and cities. It provides

1. an overview over Mobility Management development in Europe
2. an overview over MM developments in each of the 11 EPOMM countries
3. good practice examples from each of these countries

It is available for free as [download \(57MB!\)](#). You can also order [printed copies](#).

ECOMM: record number of 190 abstracts
